Peter Lougheed Centre

Auditorium

Level 0 Basement

3500 – 26 Avenue NE

Calgary, Alberta T1Y 6J4

Workshop Schedule

(Please also visit us at www.PANAsac.ca)

0900 Registration / Coffee and Snacks

0915 V.A.C. Therapy

Presenter: Dallas Bittner, Manager KCI & Karen Williams CNS – Director of Clinical Education (Canada)

Acelity & KCI is contracted to AHS to distribute Negative Pressure Wound Therapy (VAC Therapy) equipment and education facilitation.

5 minute break between presenters only

1100 Cardiac Medications & Failure

Presenter: Ms. Barbara Jones MN, CNS Cardiac Sciences
Barb's career in nursing has spanned many years and several areas including: general medicine, ICU, CICU, CNE, Research and as a clinical in the Heart Failure and Transplant Clinics.

Barb completed her MN from the University of Calgary in 2009, with a particular interest in care of patients living with chronic heart failure. Her first CNS role was with the Palliative Consult Team at the FMC.

Barb subsequently returned to her roots as a CNS in Cardiac Sciences, where she has been able to support staff, patients and families affected by heart disease.

Barb enjoys the variety and scope afforded by the CNS role, as it allows her to be an active participant in giving direction to the constant changes experienced in health care.

1215 Lunch

1245 Special Meeting

- Constitution & ByLaws Amendments
- Funding Guidelines Amendments
- Call of nominations for President Elect

1300 Blood Product & Component Administration & Conservation

Presenter: Rebecca Rock RN

Becky has over 22 years of experience as a RN, spanning both the USA and Canada. Her work has been primarily in the critical care settings including: PACU, Endoscopy lab and ICU (Cardiac, Surgical, CV).

Since 2007, Becky has been the Program Coordinator of the Perioperative Blood Conservation Program (BCP) in Calgary, Alberta working in close partnership with the Transfusion Safety Office on many joint initiatives.

Becky is a member of the "Nursing Work Group" for the Society for the Advancement of Blood Management – an international association dedicated to improving outcomes through effective "Patient Blood Management" (PBM).

At home, Becky is married with 3 children and is a regular volunteer in her community with a particular dedication the Animal Rescue Foundation. As a result, her home is often full of teens, puppies, litters of kittens or some combination of each.

5 minute break between presenters only

1415 Fluids & Electrolyte Resuscitation and Post-Operative Complications

Presenter: Dr. Nathan Zondervan R3 Department of Surgery, University of Calgary.

Dr. Zondervan is a 3rd year Resident with the Department of Surgery in Calgary. He is also a frequent lecturer at the Cumming School of Medicine. He is an experienced educator, having previously studied and taught at Simon Fraser University's Faculty of Health Sciences. Nathan has also worked in health care administration prior to pursuing a career in Surgery and continues to actively research ways to ensuring adequate access to surgical care for rural populations.
